Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a Certificate of Correction in the above-identified patent.

Respecting the alleged errors in "Reference Cited" U.S. Patent Documents and Foreign Patent Documents would require reexamination of the Application, (MPEP 1481).

Respecting the alleged error in the title, it is the practice to exclude words such as "Improvements in", "New", "Improved" "A", etc., from the printed patent.

In view of the foregoing, your request is hereby denied.

A Certificate of Correction will be issued to correct the remaining errors in your request.
